For Monday afternoon, we could do either 1:00-1:30pm, or 3:30-4:30pm.

Thursday afternoon doesn't work on our end.

Jeff et al – thanks. It looks like we will have to try for a day/time next week.

On our end, Monday afternoon is ok right now, as is Thursday afternoon. Wednesday is bad.

No more than an hour tops. We'll set up a conference line.

It looks like the best time next week for MPCA folks is 11:00am to noon on Friday, 2/23.

Let us know if that will work for EPA.

Thanks, Jeff

Hello PCA folks

Pat asked me to arrange a call to discuss Minntac. Could you look at the magic MN calendar and select some dates/times next week that would work for you ? t

Let me know at your earliest convenience. Thanks
