Subject: Hunters Point Maps - With Update Labels
Radiological_PRG_Exceedences_NoK40_2016Nov3_RefineEdits11-8-16.pdf

I'm sorry about that. Here it is. Let me know if you want to make any edits and I will start to print it.

Thanks,
Cheryl Lee

Here is the most updated Radiological_PRG_Exceedences_NoK40_2016Nov3 file. I am currently working on the second Radiological map.

Thanks! Actually, can you make the "-4" a superscript?

Hi Lily,

No problem at all. So far I finished one of the maps. Let me know if you want to make any changes to it. If you are okay with the look, the colors, etc, let me know if this is okay to print at large poster size. I will proceed with the other Radiological map.

Thanks,
Cheryl Lee

Dear Cheryl,

I appreciate your help!

You can put the captions wherever you think it makes sense so it .

For maps 1 & 2, please put the title in big letters

"Radiological sample results exceeded 10^{-4} risk before cleanup"

For the map that does not show 0-2 foot depth, please write "for all depths"

For the one that does show 0-2 foot depth, please write "for shallow samples"

Also could you color these buildings in a color that stands out?
In Parcel B-1 (green) 104, 115,116, 117,125
Please label these "Artist Studios"

In Parcel E (bottom middle of the map, near the "D-1" label) please color Bldg. 606 and label it "SF Police Department"

Thanks!

Sure thing. Where do you want them to go on these maps?

I realized that the titles on the pdf's don't give enough information for people to understand what's going on. Is it possible for you to add more captions or notes onto the pdf's before you print them?
