Robin Nyffeler, an attorney for WDNR, asked if we had a copy of WDNR's comments on the TAS because she is having a hard time finding hers. Her incoming is below.

Dave,
We should have it here in STPB as part of the administrative record. Let us know what you need and David can dig it out tomorrow when he is in.

Does anyone have a copy of WI's comments on Bad River's TAS application?

Hi Dave,

I am having a slightly hard time tracking down Wisconsin's submittal on the Bad River's application for TAS and proposed water quality standards from 2011. Do you have a copy of WDNR's formal comments or is it someplace on EPA's website? I'll eventually find it here… I just thought I would ask in case it is someplace on EPA's website.
Thanks

Robin
