Hi Andy,

Attached is the updated version of the NJ QAPP. Please review the comments as well as track changes to ensure everything has been addressed and that you are ok with the edits. If you fine w/ the edits within the document, you can just leave it as is. If you need to make changes, feel free to do so using track changes. Also, for any comment, please add a reply (even if it's a simple 'done') so that it's clear you addressed the comments and didn't accidentally miss any.

Thanks,
Sania

Hello,

In the attached draft QAPP file, I responded to comments and added/changed/edited with a light touch to make it comport with what I hope to do. If the substance of my suggestions is acceptable, then it should be acceptable for my purposes. I am guessing you are up to bat Andy.

John

Attached is the revised version with remaining comments on the NJ QAPP for Andy and John to review as soon as possible. I met with Mark today to go over as many comments as we could and accepted suggested edits for most items. Please revise so we can get this signed next week.

Thanks,
Sania
