Hey Delaney:

At the Management Roundtable this morning, Bill Wehrum requested a quick briefing with Jane Nishida (DAA OITA) on the upcoming WHO Air Quality Conference in Geneva (its happening next week). Jane Nishida, DAA for OITA is leading the U.S. delegation, and since the focus is on air quality, Bill wanted to get a quick brief on the plan for the meeting. Looks like Bill's schedule is jam-packed this week – but can you work with Lakita Stewart in OITA to see if a ½ hour slot can be carved out that works for both Bill and Jane? May be able to slip to early next week depending on when Jane takes off.

**Also want to invite Mandy**....and all the folks CC'd on this message as they have been working on the planning. Will need a conf. line for OAQPS too...(Amanda Curry-Brown will be joining – either from RTP or from Geneva depending on timing).

Thx Delaney (and Lakita!)...let me know if you need anything else to move on this.

Hi Henry – yes, let's have Bill's scheduler talk with Lakita Stewart here, and set up a time. I've copied Lakita on this email.

Thanks! Martin

Hey you guys:

John discussed upcoming WHO Air Quality meeting at Senior staff today…and Bill Wehrum was a little concerned about how WHO would be discussing climate change and our general messaging.

He has requested a briefing to hear general plan. So would like to see if we can set something up with Jane next week prior to departure.

What would be easiest way to set this up – shall we have Bill's scheduler talk with Jane's scheduler?

Let me know what you think the easiest way to proceed would be.

Thx all,

H

Hey Marianne, Ted:

Thx for the meeting yesterday to help coordinate a response on pledges! John Shoaff is going to discuss this meeting with OAR Senior staff today…and asked that we be included in review of Jane's speech so Mandy and crew can weigh in if needed.

Appreciate all the work you guys are putting into this.
