Subject: RE: Neonicotinoid Letter from Crop Life America

Hello, I have not seen a letter from Crop Life America. But I will check CMS to be sure. I copied our Chief of Staff, Martin and the Principal Deputy Assistant Administrator, Jane to be sure they have not seen anything while I check CMS. Thanks!

Subject: Neonicotinoid Letter from Crop Life America

Hi Lakita,

Was there a letter to come in on January 14 from Crop Life America or NRDC addressed to the Administrator that was about Neonicotinoids?

Thanks,

Thomas
