Hi Zoe,

I'm out of the office and just seeing your message. My colleague, Orlando Gonzalez, is our point of contact for Argentina and can respond to your question.

I'll be beach in the office tomorrow if I can be of any assistance.

Thanks,

Cam

Is this something that your team would typically help organize? If not, is there a contact that I should be working with in Argentina that you could connect me with?

I'm in the process of planning a work trip to Buenos Aires in September. I'm giving a few presentations at meetings on 9/19 and 9/20 but was hoping to meet with government people on 9/18. Can you help me get this organized?

Anna

THIS EMAIL IS PROPERTY OF CORTEVA.

Anna,
Thanks again for joining us. Please receive the notes of our meeting.

Flights:
Arrival on Tuesday Sep 17th, departure on Friday Sep 20th.

Sep 18th – Meetings with our Regulatory Agency
Anna will arrange meetings with our Regulatory Agency people.

Sep 19th – Plenary session at ATA Congress
The plenary session will be of 1 h + time for questions.
It will have simultaneous translation.
Proposed topics are:

- Background EPA, experience with risk assessment of chemicals and pesticides.
- Evolution of risk assessment criteria, modern risk assessment approach.
- EPA current methodology: systematic reviews, data quality criteria, waivers , digital tools, etc.

Sep 20th – Presentation for ILSI members
The presentation will be of 40 min + time for questions. It will be an informal meeting.
Proposed topics are: data quality, eligibility criteria for open literature, systematic review, examples.

Anna will send the slides in advance so our translators can be familiar with the terminology of the presentations.

Best regards.
