Pursuant to our meeting on Monday, June 3, 2013, this letter serves as American Energy Corporation's ("AEC") formal request to re-open the comment period on the above-referenced NPDES permit for the Century Mine / Bennoc Refuse Disposal Area located at 43521 Mayhugh Road, Washington Township, Belmont County. AEC is requesting the re-opening of the comment period for a period of at least thirty (30) days in order to provide the additional information that you requested from us during that meeting.
