Please let me know if I'm missing anyone for this discussion. Attached is an update to the policy paper and a draft agenda. Please use Sharepoint to provide edits. **I've added some background but the questions for managers begin on page 2.**

Let's use this meeting to:

1. Review the issues that we need to raise to managers,
2. Make sure we have all of the questions
3. Start to develop options for their decision.

I hope that I captured all of the ideas from last week but I may have missed some.

In the Background section, I will need input from:

1. Pat/Kelly on the Accounting for Growth
2. Greg Allen on the Federal Facilities
3. Ex. 5 Deliberative Process (DP)
