Subject: Monthly Progress Report – September 2018
Rolling Knolls Landfill Superfund Site
Chatham, New Jersey

Dear Ms. Kaur:

This monthly progress report has been prepared in accordance with Section XI. 48 of the Administrative Settlement Agreement and Order on Consent (Agreement) between the United States Environmental Protection Agency (USEPA), and Chevron Environmental Management Company for itself and on behalf of Kewanee Industries, Inc., Nokia of America Corporation (f/k/a Alcatel-Lucent USA Inc.) and Novartis Pharmaceuticals Corporation (collectively, "Settling Parties") for the Rolling Knolls Landfill Superfund Site (the Site), which was entered on September 30, 2005. The reporting period for this progress report is September 2018. The progress report was prepared by Geosyntec Consultants (Geosyntec) on behalf of the Settling Parties.

1. Activities Performed During the Report Period

The Settling Parties conducted the following activities during the reporting period:

- Provided proposed revised language to the Appendix B to the Feasibility Study (FS) Report to USEPA on September 14, 2018 and discussed that language with USEPA on September 17, 2018.
- Provided a revised version of Appendix C to the FS Report to the USEPA on September 14, 2018, which was approved by the USEPA on September 19, 2018.
- Attended the Community Advisory Group (CAG) initial meeting on September 17, 2018.
- Continued discussions with USFWS regarding the remedy considerations for the portion of the Site on the Great Swamp National Wildlife Refuge (GSNWR).

2. Activities Scheduled for the Next Two Months

The Settling Parties will conduct the following activities during the next two months:

- Respond to any additional comments from USEPA on the revised Draft FS Report.
- Continue discussions with the USFWS regarding remedy considerations for the portion of the Site located on the GSNWR.
- Continue discussions with Site owner and related parties regarding agreement to restrict future land use and development of the Site.
- Conduct inspections and general maintenance of the drum storage area located adjacent to the Drum Area.

3. Problems or Schedule Delays

- None.

The next monthly progress report will be submitted to the USEPA on or before November 15, 2018. Please contact me at 609.493.9008 if you have any questions.

Sincerely,

John L. Persico, P.G.
Principal
