All,

Thank you again for all your assistance in preparing the Administrator for his upcoming hearing on the 19th. Please find attached all of the current documents, as they appear in the Administrator's binder. Please understand that many of these documents will be updated as we continue to prepare the Administrator and as things change over the next ten days.

If any of these documents appear incorrect or unexpected to you or your teams, please let me know as soon as possible, so we can ensure that we have the appropriate information in the Administrator's binder. If you have any questions, please do not hesitate to reach out.

Thanks again for your continued assistance on this,
