Jan:

Thanks for meeting with us on short notice about Ft. Gillem. I think the meeting was beneficial. We will be in touch once we have the briefings for Franklin and the National Listing Panel over the next week or so. We look forward to hearing how the Army reacts to the news that we are looking at NPL listing. Hopefully it has the desired result. Lastly, please keep December 1 in mind as "key milestone" for state concurrence in order to position for proposal next spring.

Sincerely,

Don
