FYI. Since there's a public protest planned at the public hearing venue tomorrow, and because the size of the crowd (per registrations) doubled over the weekend, Region 4 has contacted Federal Protective Services. They are sending 2 inspectors to the hearing and are also coordinating with Sarasota PD and the Fusion Center (federal/state/local law enforcement). No expectation that anything is going to happen, just taking a few precautions.

Hi All,

Attached is the current list of registrations. 187 registered to attend, 62 want to make comments (this list does contain the 8 EPAers & 3 ERGers names as well). As an FYI, two new registrants marked they have ADA requirements, I reached out to one, but the other did not supply an email address so I have no way to contact him.

I also reached out a fourth time to Jenn Fennsey to ascertain her needs, thus far, no response.

As an FYI on the protest event's Facebook page there are 43 people who have said they are going to the protest, 150 additional people are interested. Of course this isn't a guarantee of anything and the word may be going out in other ways. The Bradenton Times just did an online piece on it today.

Safe travels everyone!
