Greetings!
You are receiving this email as you either attended, or were invited to, the Florida Sea Grant Off-Shore Aquaculture Workshop held June 27, 2019 at Mote Marine Laboratory in Sarasota Florida. Please find the EPA announcement of a public hearing attached and below. I encourage you to use this opportunity to voice or submit your thoughts/opinions in person or via email.
Sincerely,
Laura Tiu

This is a courtesy email to inform you that the Environmental Protection Agency – Region 4 (EPA) will be holding a public hearing regarding the proposed issuance of an NPDES permit (FL0A00001) for the Kampachi Farms, LLC – Velella Epsilon marine aquaculture facility. The purpose of this public hearing is to receive your comments. A copy of the public notice is attached to this email.

The details for the public hearing are below:

Date: January 28, 2020
Time: 5:30 PM – 9:30 PM
Location: WAVE Center
Mote Marine Laboratory
1600 Ken Thompson Parkway
Sarasota, FL 34236

All persons interested in this draft NPDES permit are invited to attend the public hearing. If you are interested in attending the hearing, EPA encourages you to pre-register at least 72 hours in advance. You may register to speak at the hearing when you pre-register online. You may also register to speak when you arrive at the hearing. Pre-registration can be done at the following website: https://projects.erg.com/conferences/npdes/register-publichearing.html.

The draft NPDES permit, draft Environmental Assessment, and other supporting documents can be found at https://www.epa.gov/aboutepa/about-epa-region-4-southeast. The public comment period will be open through February 4, 2020. Information on how to submit comments can be found at that same website.
