Hi Cherie!

Thanks so much for sharing all this information. We received your emails with information for 4 dairies (i.e. Correia, Cunningham, Hughes, and Arrowhead). Our email is pretty good with large file sizes, but it is always good to double check.

However, if you sent the other 6 dairy reports, my inbox "lost" them. Not sure if you are still working on these other operations (i.e. still in draft version for Terrilinda, Morrison, Mazzetta, Pinheiro, Moody, and Willow Creek dairies). If these reports are still in draft, we have plenty of fact-checking to keep us busy with the first four.

Thanks again!! PS – I spoke to Jennifer the other day and finally sent off that card with a picture of us taken in front of the fantastic deli you took us too. I really did learn a lot tagging along and appreciate both of your patience with the "new girl." It was great to see how facilities operate on the west coast as I have never been to pasture-based grazing or organic facilities.

Hi,
As attached.

By the way, did you get Correia and Cunningham emails ok? They were about 23 MB each, maybe too big for your computer system, because of the large FEMA floodplain map.

Thanks,
