NOV 17 2010

Dear Administrator Jackson,

I am writing this letter as a life time Maryland resident who grew up on the bay and has spent many days enjoying the wonderful bounty it has to offer.

The Chesapeake Bay is a Maryland treasure that must be cherished and taken care of. As EPA administrator I ask you to push Maryland to improve the Watershed Implementation Plan, ensuring all the necessary measures will be in place to achieve clean water by 2010.

Thank you.
