Subject: Class VI Primacy

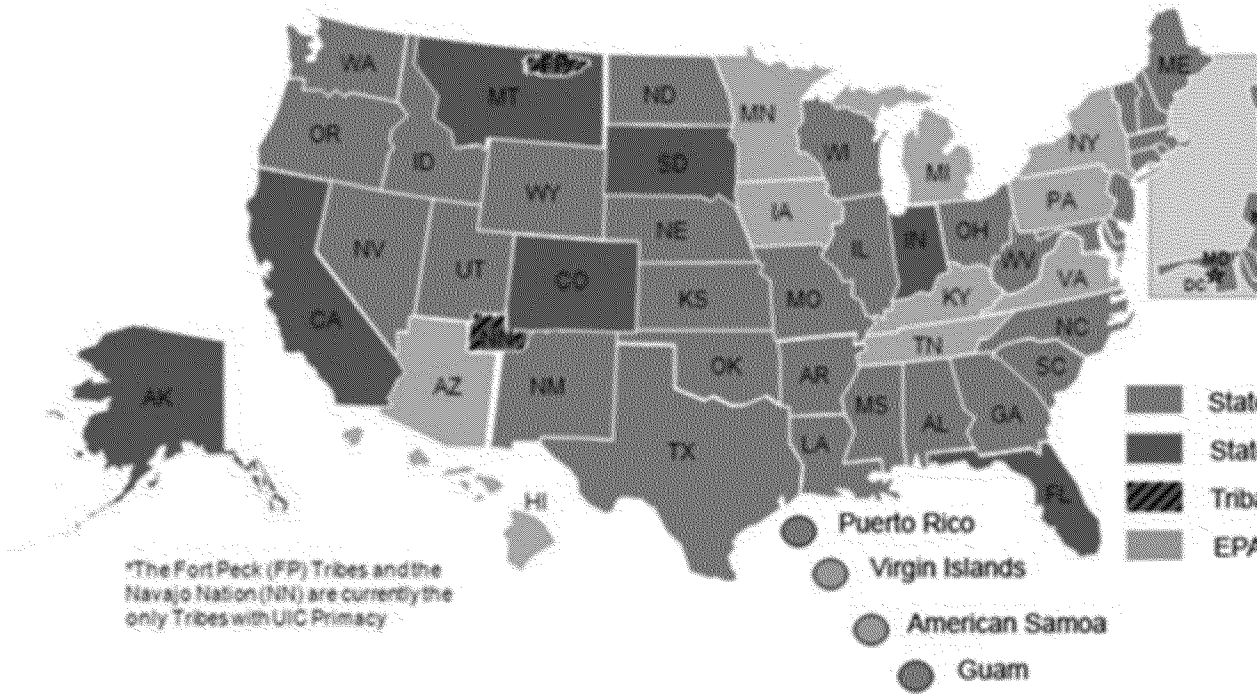
The information below was brought to my attention and I am hoping to get an answer as to what this mean.

Thank you for your time and assistance. I hope everyone is well.

http://water.epa.gov/type/groundwater/uic/primacy.cfm

Who currently has primacy?

EPA has approved primacy programs for all well classes I, II, III, IV and V in 34 sta
responsibility with 7 states (i.e., EPA has authority over some classes and the sta
directly implements the Class VI Program nationally, except for the State of Nort



Currently, two tribes have Class II primacy.

- Visit the page on UIC Programs on Tribal Lands for more information.
