Hi Lily,

As a follow up to our conversation this afternoon, Rick Zeise will be the contact for the AGO.

Rick, as a heads up this records request has come in for AZ & EPA. EPA may be reaching out regarding.

Thanks!

Karin Harker

Hi Lily,

As you predicted ADEQ received a records request for William AFB documents. See below and attachment on the items being requested.

Thanks!

Brian Stonebrink & Wayne Miller: **Below is the customers request as itemized in their email. I will change this request for the File Coordinator once you inform me of RIMS for the files that have to be pulled, if any. If this information can be supplied as electronic files please provide as many as possible in that format.**
Former Williams Air Force Base, Site ST012, Mesa, Arizona
United States Department of the Air Force Contract No. FA8903-09-D-8572 with Amec Environment & Infrastructure, Inc. ("Amec")
Performance-Based Remediation of Site 012 at the Former Williams Air Force Base in Mesa, Arizona ("Project")

1. Documents dated between January 24, 2011 and August 26, 2011 constituting, referring, or relating to the ADEQ's evaluation of the proposal submitted by Amec Foster Wheeler Environment & Infrastructure, Inc., now known as Wood Environment & Infrastructure, Inc. ("Wood"), to the United States Air Force for the remediation of the former Williams Air Force Base in Mesa, Arizona.

2. Documents constituting, referring, or relating to ADEQ's evaluations of the Final Remedial Design and Remedial Action Work Plan ("RD/RAWP") for the former Williams Air Force Base in Mesa, Arizona, that was finalized on May 23, 2014.

3. Documents, between October 7, 2014 and November 1, 2018, related to data, studies, inspections, audits, reports, evaluations, and testing of the steam enhanced extraction (SEE) or Environmental-Based Remediation (EBR)that was proposed or used on Site 012 at the former Williams Air Force Base in Mesa, Arizona.

4. Documents, generated or received between October 7, 2014 and November 1, 2018, constituting internal communications, or communications between the ADEQ and the U.S. Environmental Protection Agency or the United States Air Force or any third parties regarding the SEE or EBR that was proposed or used on Site 012 at the former Williams Air Force Base in Mesa, Arizona.

5. Documents, generated or received between April 1, 2016 and April 30, 2020, constituting internal communications, or communications between the ADEQ and the U.S. Environmental Protection Agency or the United States Air Force or any third parties regarding the additional site characterization of Site 012 at the former Williams Air Force Base in Mesa, Arizona.

6. Documents, generated or received between June 1, 2016 and April 30, 2020, constituting internal communications, or communications between the ADEQ and the U.S. Environmental Protection Agency or the United States Air Force or any third parties regarding the hydraulic containment requirements for Site 012 at the former Williams Air Force Base in Mesa, Arizona.

7. Documents constituting, referring to, relating to, concerning or mentioning any formal or informal disputes, either proposed, threatened or actual, between the ADEQ and the EPA or the Air Force related to Site 012 at the former Williams Air Force Base in Mesa, Arizona.
