CERTIFICATION FOR INCLUSION IN EXISTING UNIT

An election was conducted in the above matter under the supervision of the Regional Director of the Federal Labor Relations Authority, in accordance with the provisions of Chapter 71 of Title 5 of the U.S.C., and with the Regulations of the Federal Labor Relations Authority, among the employees of the Activity in the following categories:

INCLUDED: All professional employees of the Department of Veterans Affairs, James A. Haley VA Medical Center, and all clinics assigned to that Medical Center.

EXCLUDED: All Registered Nurses already represented in other units, non-professional employees, and all supervisors, management officials and employees described in 5 U.S.C. § 7112 (b)(2), (3), (4), (6), and (7).

By describing the unit in this way, I am permitting the deletion by "strike-out" from the existing consolidated unit description of references to those Outpatient Clinics in Port Richey, Florida (which is inexplicably listed under Alabama), Orlando, Florida and the Brevard Outpatient Clinic in Viera, Florida. Those units of professional employees have been organizationally part of the Department of Veterans Affairs, James A. All full time, part time and intermittent Professional Registered Nurses, and Graduate Nurses employed by the Veterans Affairs Medical Center, Brooklyn, New York, excluding management officials, supervisors and employees described in 5 U.S.C. §6112(b)(2), (3), (4), (6) and (7).

All full time and part time Registered Professional Staff Nurses, Clinical Specialists, Graduate Nurse Technicians, Nurse Practitioners, Nurse Educators and all other Registered Professional Nurses employed by the Veterans Affairs Healthcare Network Upstate New York at Albany, excluding Nurses Anesthetists, intermittent employees, management officials, supervisors and employees described in 5 U.S.C. §7112(b)(2), (3), (4), (6) and (7).

Included: All Registered Nurses assigned as Staff Nurses and Instructor in nursing, all Nurse Practitioners and Clinical Nurse Specialists employed by the Veterans Affairs Western NY Healthcare System at Buffalo, NY.

Excluded: All other professional employees, all non-professional employees, management officials, supervisors and employees described in 5 U.S.C. §7112(b), (3), (4), (6) and (7). [BN-RP-01-0087; 11/23/2001].

Included: All Registered Nurses employed by the Western New York Healthcare System, Buffalo, New York

Excluded: Management officials, supervisors and employees described in 5 U.S.C. §7112(b)(2), (3), (4), (6) and (7). [WA-RP-05-0057-000; 2/27/2006].

A majority of Registered Nurses ("RNs") and Nurse Practitioners ("NPs") working at Community Based Outpatient Clinics ("CBOCs") in Olean and Niagara, New York have requested that NNU be their exclusive bargaining representative. NNU is prepared to present the Authority with a showing of interest for the nurses. More specifically, there are two (2) RNs and two (2) NPs working at the Olean CBOC, and one (1) RN and two (2) NPs working at the Niagara CBOC.

The Agency in Buffalo has refused to recognize NNU at the Olean and Niagara CBOCs, claiming that the November 29, 2010 amended certification does not cover nurses working at the CBOCs.

NNU submits that the certification specifically includes both RNs and NPs working at the CBOCs, and "employed by the Veterans Affairs Western NY Healthcare System at Buffalo, NY." The nurses at issue are employed by the VA Western New York Healthcare System in Buffalo, New York. Managers at the Olean and Niagara CBOCs report directly to the Buffalo VA. As such, the Olean and Niagara RNs and NPs are covered by and included in NNU's current certification.

While NNU submits that its current certification covers nurses employed by the VA at Buffalo, but working in CBOCs, it seeks, alternatively, to clarify or amend the certification without an election to reflect that the Olean and Niagara RNs and NPs are covered by and included in NNUs current certification. In the event it is necessary to amend its current certification, NNU proposes the following:

> All Registered Nurses assigned as Staff Nurses and Instructors in nursing, and all Nurse Practitioners and Clinical Nurse Specialists employed by the Veteran Affairs Western NY Healthcare System at Buffalo, New York, and at its Community Based Outpatient Clinics.
