Subject: RE: Bradford Island Managers Meeting

Hi Christine

I would like to set up a time to meet with you this week to discuss path forward and some of the ideas EPA has in regards to opportunities to support Bradford Island technical project planning. If you would like to invite one of your technical team members from Seattle District to participate that would be fine. It would also be good to have a copy of the overall project schedule discussed at our meeting last week. I would like to have this discussion in advance of the managers meeting set up for next week. I am available Wednesday 9/2 11:30-1 or 2-4. Thanks and looking forward to our discussion. Kira
