Subject: RE: Bradford Island TAG Meeting
Attachments: locations for full congener analysis.pdf; Bradford_maps_feature locations.pdf

TAG,
There will be no general TAG meeting for April because there is no new information to report. We are meeting with some TAG members who expressed an interest in discussing the locations for full congener analysis. I've attached the map with the proposed locations and another map with map feature details for these locations. The locations were previously provided for your comment and the focused meeting will be for those that wanted further discussion. Let me know if you want to participate, and I'll forward the meeting invite to you. The meeting is scheduled for 16 April from 9-10.
Thank you,
Chris Budai
