Hi Robin, I apologize that I will be unable to attend today's daily PADS meeting. Can you please let me know if I can send any information to you so that you can report out on the team? I think you are MORE MORE MORE than qualified, but if there is something I can send you I hope you will let me know.

Wanted to flag that we just learned that there is a limit to how many emails the House will accept. All the Senate plus 1/3 of the House received the invite. Some of the invites did get through because we received questions. Latonia is working to resend the invite in smaller email sets unless you think otherwise. Was thinking best to send the invite than not. Sorry for the last minute flag.

Hey y'all, I am sorry I missed our check in this morning but wanted to flag three things in case they are helpful. Apologies if they were already discussed: 1. We are expecting Regan's vote on the floor Wednesday; 2. We are expecting Janet's committee vote on March 24th; and 3. the American Rescue Package, which is expected to be considered by the House tomorrow and passed into law soon thereafter, included 100 million dollars of mandatory funding for EPA. 50 million will be dedicated to certain activities under the CAA and 50 will be dedicated to EJ. We were involved in the drafting of this language and I will send around the final text soon.

Hi Radha! I reviewed the incoming and the draft response and given where we are (e.g., leadership in place, reviewing rule and need to coordinate with USACE) the response makes sense and keeps it simple. We could add a sentence Ex. 5 Deliberative Process (DP) if appropriate, but not required. I hope this helps.

GM Radha! Wanted to check in on email lists for Hill invites. Casey and I were checking in re: possible calls for tomorrow and invites today re: LCR. Latonia and I were working on the LA email lists yesterday. Did you two connect and is there another set you'd like us to create for the invite today? Thank you!

GM Radha! I have a quick facilities call at 9am and will be a little late to the USTR call. My apologies! The one piece of information I have is, I connected with Mark Kasman, OITA, about scheduling an internal EPA call before reaching out to USTR. They are happy to talk today to keep things moving.

Following up w/the RCILs & PADs, a thought is to send an email to ask for feedback on the RCIL calls and with the draft 'Call Memo/eMail' f'll send another invite to the RCILs for next Thursday.
