Region 8 is in the processing of closing the request as well. We located one document that was sent with a document attached. They are uploaded under FOIA 2017-007593 if you are interesting in seeing what the document was. It should have been sent to all regional counterparts.

Hi Wanda,

I think separate replies were the way to go on this one. Although, no one in HQ ever replied to all the emails that were floating around. I did mine on my own after seeing that that was the way Region 10 was handling it. We had no info.
