Thanks George. Also, I apologize but the call today will need to be from 4-4:30 rather than 3:30-4:30pm. I have just sent you a corrected invitation.

Subject: Meetings Today and Monday

Hello George:
My apologies for the short notice, but EPA is hoping to speak with Bayer at 3:30pm today about the hooded sprayer and bridging to cotton submissions we recently received in relation to dicamba.

We would also like to have a larger label mitigation meeting on Monday to discuss various loose ends.

I will send you meeting invitations shortly.

Best regards,
