Dear Lydia,

As part of the initial registration action for A21472 Plus VaporGrip Technology (EPA Reg. No. 100-1623), Syngenta submitted a Letter of Authorization to refer to Monsanto dicamba data. Please find enclosed an updated Letter of Authorization to refer to Bayer CropScience LP Dicamba Data for Syngenta Crop Protection's registration of A21472 Plus VaporGrip® Technology. This letter allows for referral to "Bayer Data covered by this Letter of Authorization: Registration data, including safety and efficacy data, that pertain to dicamba DGA salts and those DGA salt formulations containing VaporGrip® that were submitted prior to October 16, 2020 that pertain to any and all uses in or on or over the top of dicamba tolerant soybean or cotton crops.".

Thanks
Monty
