Former Chevron Perth Amboy Facility
Perth Amboy, Middlesex County, New Jersey
SRP PI No. 003621, EA No. RPC000005

Dear Mr. Vargas,

The New Jersey Department of Environmental Protection (Department) in in receipt of the two Notifications of Planned Physical Alteration to the Facility for the L606 New York Harbor Expansion Project, East Yard including correspondence discussing: New Piping and Storage Tank Installation dated August 29, 2017 and the Marine Vapor Manifold Expansion dated September 20, 2017. The Department acknowledges that the alterations to the Former Chevron Perth Amboy Facility in Perth Amboy, Middlesex County, NJ will be completed by Buckeye Perth Amboy Terminal LLC, the new owner of the facility, though the August and September 2017 Notifications of Planned Physical Alterations were submitted by Chevron Environmental Management Company pursuant to the Resource Conservation and Recovery Act (RCRA) and the Hazardous and Solid Waste Amendments (HSWA) Permit of 2013. The Department has reviewed the August and September 2017 Notifications of Planned Physical Alterations and finds the methods referenced to deal with contaminated materials encountered during construction activities acceptable.
