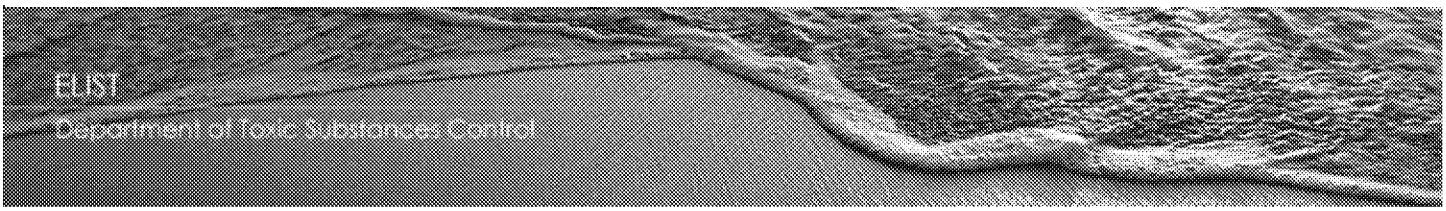
Subject: Riverside Ag Park/Neighborhood Community Update December 2017



Department of Toxic Substances Control
Riverside Ag Park / Neighborhood
Community Update
December 2017

Good Morning:

*The following link replaces the previous Community Update which was incorrectly dated January 2018. We apologize for the confusion.

Click here to review the December 2017 Community Update which includes the latest information regarding the status of the Riverside Ag Park cleanup, and the neighborhood sampling project. Haga clic aqui para revisar la versión en Español de la actualización del parque Riverside Ag. Thank You for your interest in this project.

Department of Toxic Substances Control, PO Box 806, Sacramento, CA 95812-0806
