Subject: Update

Hi Steve,

I wanted to notify you that, yesterday afternoon, DTSC received notice from counsel for the Center for Community Action and Environmental Justice (CCAEJ) that CCAEJ was seeking a hearing on Monday, September 12, at 8.30 am seeking a temporary restraining order and an order to show cause re a preliminary injunction restraining the City, Friends of Riverside Airport, LLC, and DTSC from conducting any work at the Riverside Ag Park site ("Site") pending compliance by the City with any CEQA obligations related to the City's lifting of the Stop Work Order, which would allow such work to proceed at the Site. (CCAEJ filed a Petition for Writ of Mandate on August 24, 2016, against the City related to the Site, naming DTSC as a real party in interest. When I have more information, I will let you know.
