Good Morning Everyone!
Greg and I both have schedule conflicts today that we are unable to get out of. We will cancel today's off-site call and resume next week.
Here are some updates:

- My intern has completed the classroom request forms for Arlanza Elementary and Norte Vista High School. There is a $19/hour charge and they require insurance. We have asked for a waiver and will update you on the progress.
- I have not hear back from AQMD on the status of their modeling, and will send an email as soon as I have an update.

Ana and Stacey, it would be great if could update the team on the latest form for community participation and any other activities on your end regarding the off-site work group.
