Checking calendars for everyone, looks like **Monday March 16 at 3:30** looks promising. Tony/Lucy, can you put a temp hold on RA/DRA/Ed calendar so it's an option?

Michelle P is out next week, so the 16th or 17th is better for that, and for the fact that Tony and I can be there in person

I agree, 30 minutes should be sufficient

Thanks!!

I thought we could divvy up tasks at our planned Monday meeting. I am happy to coordinate with Michele Fraser (ECAD Adm Team) to work the calendar magic but she is out today (Friday).

Ed indicated a 30 minute brief for the RA would be sufficient as long as we provide materials ahead of time. Ed indicated the week (week of March 16) of the next extended ET would work since you and Lucy would presumably be in the Seattle Office that week. Ed is out all next week at a national meeting in Denver. If waiting until the week of March 16 is too far out, we could look to the week of March 9 but that would mean you would call in to the meeting.

Jeff,

Are you looking at RA briefing scheduling?

Thanks, Tony. Here' my quick feedback, and Jeff/Matt can chime in on planning logistics for next steps.

When we signed off, there was an agreement to get on Chris's calendar for 30 minutes for an update: what's transpired and how we are proceeding. Lucy mentioned mid-March may be a good time.

I know Jeff/Matt were going to coordinate on scheduling with states, and I'm guessing would coordinate pre-meeting prep with you to gain your insights and plan. Maybe we could bundle your input to Eric on his presentation into a prep call on how to engage the states?

I'm not sure who is aligning calendars for the RA briefing, but if you could help with that, that would be great too! (unless Jeff or someone else is already taking care of it)

Again, my initial thoughts. Thanks for your help on these issues as we move forward.

Thanks,

Peter

Hey Folks,

Thanks for a good discussion today. It was good to have the OECA folks on the phone. I had a few things for the conversation that we didn't get to:

1. In talking with DEQ and others I think Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP). I plan to call Eric directly to discuss.
2. There are some things regarding Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP)
3. Maybe you all are already thinking along these lines, but I feel strongly that we should work to update Chris and Michelle with some sort of briefing on the LUB GWMA situation. Are there plans to do that? How can I help?
