RE: EPA Information Requirement for Contura Energy, Inc.
First Supplemental Response

Dear Mr. Zolandz:

Contura Energy, Inc. (Contura), through counsel, respectfully submits the following supplemental response to the above-referenced Information Requirement, which Contura received on June 1, 2017. This supplemental response addresses Item No. 19 in the Information Requirement. Subsequent responses addressing Item Nos. 20-21 will follow on or before July 31, 2017, as authorized in your correspondence dated June 13, 2017.

19. A list of all Facilities in Virginia, including:

a. Mine or related operation name;
b. Mine or related operation location;
c. NPDES permit number; and
d. SMCRA permit number.

See Attachment 19.

The required certification statement is provided as Attachment A. The names and contact information for each person providing responses or consulted in the preparation of the response are provided in Attachment B.

This letter and the accompanying attachments represent Contura's good faith efforts to provide available, responsive, non-privileged documentation and information in its possession. This submission is made without waiver of any objections, defenses or other rights and should not be construed as an admission of any kind. Any inadvertent disclosure by Contura of material protected by privilege is not intended, and should not be construed to constitute a waiver of such privilege. Contura reserves the right to amend or supplement its response to

provide additional relevant documents that later become known or available. Contura is not waiving its right to object to authentication of the documents produced for the purpose of admissibility in any administrative or judicial proceeding.

If you have any questions regarding this supplemental response, please feel free to contact me.

Sincerely,

Brooks M. Smith
