Re: Final Feasibility Study Report
Remedial Investigation and Feasibility Study Activities
Riverside Industrial Park Superfund Site - Essex County, Newark, New Jersey
CERCLA Docket No. 02-2014-2011

Dear Dr. Smeraldi:

As directed by U.S. Environmental Protection Agency via your email on July 10, 2020 to modify the Final Feasibility Study Report for the Riverside Industrial Park Superfund Site, Woodard & Curran, Inc. hereby provides an email with a link to download the Final Feasibility Study Report. The report is submitted in accordance with the project schedule and USEPA's July 10 email.

This report addresses comments provided by USEPA on July 10 and 14, 2020. Comments have been included where appropriate to provide context for edits.

Please contact Mr. Scott Krall, Project Coordinator, should you have any questions or concerns.

Respectfully submitted,
WOODARD & CURRAN, INC.

Kenneth J. Bird, LSRP
Vice President
