EPA released its Proposed Plan for the Riverside Industrial Park Superfund Site, explaining EPA's preferred alternative for the cleanup at Riverside. EPA relies on public input to ensure that the concerns of the community are considered in selecting an effective remedy. The community is encouraged to review the Proposed Plan, participate in the public meeting, and submit comments.

Hi Shereen,

Thank you for the reminder!! These Community Updates have been uploaded into SEMS-RM. Now that Michael and Josh have finished updating all of the other sections of the Site Profile Page, I will start working on all the links and Public Comment and Public Meeting Information in the Announcements and Key Topics section.

I will send you all the Preview as soon as possible, hopefully by 4:00PM.
