Hi Shereen,

I'm responsible for social media content next week and want to confirm if the details in this post is accurate. Will you please review and make applicable changes?

Thanks,
Donette

Cleaning up Our Nation's Land Riverside Industrial Park Superfund Site Proposed Remedial Action Plan (PRAP) Press Release	Wednesday - July 22, 2020	**Twitter:** Public comments are now being accepted on our Proposed Plan to address groundwater and sediment contamination at the Riverside #Superfund site in Newark, New Jersey. Join us at our virtual public meeting on August 5th at 7:00pm! More info here: [link to press release] **Facebook:** Public comments are being accepted on our Proposed Plan to address groundwater and sediment contamination at the Riverside Industrial Park #Superfund site in Newark, New Jersey. The proposal addresses the cleanup of contaminated soil, sewer water, waste, and groundwater. We are proposing the best course of action to protect human health and the environment at the site, and want to create space for community members to ask questions or voice concerns about the proposal.
