So strange. It didn't show up. As long as it's still there. Thank you!

Hi Shereen,

The Community Involvement Plan is still available at the link in the Announcements and Key Topics section of the Site Profile Page for the Riverside Industrial Park site. It is in the middle of the section and will show only after clicking the link titled Continue reading announcements and key topics. Should I move it up? I wasn't sure what order to put everything in prior to the Public Meeting, but maybe now the Community Involvement Plan should be moved up just below the Proposed Plan?

EPA released its Proposed Plan for the Riverside Industrial Park Superfund Site, explaining EPA's preferred alternative for the cleanup at Riverside. EPA relies on public input to ensure that the concerns of the community are considered in selecting an effective remedy. The community is encouraged to review the Proposed Plan, participate in the public meeting, and submit comments.

Hey Melinda,

For some reason, the Riverside Community Involvement Plan (attached) was removed from the Riverside SPP. Can we add it to the SPP again?

Thanks so much!
Shereen
