Subject: Review of Project Time Line - Riverside Community Involvement Plan
Attachments: Table 1 Time Line (revised per Will comments).docx

Hi Josh and Shereen –

Attached is the Riverside project Time Line. Will Reilly has reviewed this time line for accuracy, so all statements in this file can be released to the public. We have enough graphic space to include the whole table in the Community Involvement Plan (CIP); however, please take a look and let me know if there are any specific events that you would like to remove (or if there are perhaps others that you want to include).

Will – I revised the Time Line based on your comments. Please review one more time to confirm that the statements are acceptable to you for Shereen's use.

Once you complete your review, it will go to Shereen so that she can decide what needs to be included in the Riverside Community Involvement Plan.
