Hi Josh,

I was having issues accessing these attachments. But now it looks like they are opening. Documents are not usually added to the AR after the start of the public comment period until the ROD is ready to publish. However, if they need to be included for public comment, I guess we can update the AR with these documents. They will be listed in the AR Index after the Proposed Plan rather than in chronological order. And the date of the of the AR Index will be updated to today's date.

Hi Melinda,

Were the attached added to the admin record for riverside? I am looking around and I don't see them. Can we still add them?

Thanks!

Josh

Hi Melinda,

Thank you again for getting everything we needed in the admin record. However, we found a couple more documents that need to be added. Can you add these three documents also (AR collection AR66414 – Riverside Industrial Park)?

Thanks!

Josh
