Re: Acknowledgement of Administrative Complaint

Dear Mr. Boyd:

This letter is to notify you that the U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO), received your correspondence on September 18, 2018, alleging discrimination based on race in violation of Title VI of the Civil Rights Act of 1964 involving the Tetra Tech (NASDAQ: TTEK), the City and County of San Francisco, the California Department of Toxic Substances Control and the California Regional Water Quality Control Board.

ECRCO is responsible for processing and resolving complaints alleging discrimination by programs or activities that receive financial assistance from the EPA. ECRCO will review the correspondence in light of EPA's nondiscrimination regulation to determine whether it is a complaint that falls within ECRCO's jurisdiction. Once this jurisdictional review is completed, ECRCO will notify you as to whether it will accept the complaint for investigation or reject it, or refer it to another Federal agency.

In the interim, if you have any questions about the status of this correspondence, please contact me by telephone at (202) 564-4174, or by email at Rhines.Dale@epa.gov.

Sincerely,

Dale Rhines
