Hi all,

Please see attached notification report for priority episode 26-LA-17 and let me know if you have questions. A 22 month-old female was admitted to USC after accidently ingested up to ½ oz of a pesticide product, manufactured in Mexico, from a container in her family's back yard.

Thanks and regards,

Ahmed Elhawary, Senior Environmental Scientist
California Environmental Protection Agency
Department of Pesticide Regulation
Enforcement Branch, Southern Region
