Hi Stan & Kurt,
Just FYI that Julia Sage from the Ponca Tribe of NE send me the email below.

We are getting ready to send out consultation invitation letters to the leaders of tribes we heard from during the Dewey-Burdock UIC draft permit public comment period, but had not requested consultation with us before the draft permits were issued.

We are sending the attached letter to President Wright. If you have any comments on this letter, please email them to me.
Thanks!
Valois

Patrick and Valois,
I contacted my Tribal Chairman and he would like to engage in Tribal Consultation. We are working on the date for a Tribal Council meeting that would work best for us.

Thank you,
Julia
