Also Valois, per your notes below and question at the end, if you all would like to meet next week before the briefing, I'm happy to join... thanks, Kimi

If you think it would be beneficial to have a quick meeting to run through everything one more time before the briefing, let me know. I will be happy to set up a meeting.

Thanks everyone for all your efforts with this document! I think it covers a lot of complicated thinking in an efficient manner!

Subject: DB Briefing Paper

Hello,
Here is the most recent version of the DB briefing paper. Will wait to finalize until I hear from Valois re: UIC program policy considerations. If anyone else has edits, feel free to make them on this version and I'll clean it up and send it over. Valois, Mike is working on the NHPA briefing paper (he also added an NHPA bullet at the end of this paper).

thanks, Kimi
