Hi Kimi – Thanks for sending this. I have a few suggestions in the paragraph on historic properties, and one in the tribal consultation section.

Subject: Dewey-Burdock EJ analysis - request for review/comments

Hello -
The Dewey-Burdock EJ analysis is attached. If you could please review your respective sections, that would much appreciated! I've tried to flag sections with your name in comment bubbles in the margin, but please don't feel confined to those areas! ☺ It needs quite a bit of work and the EJ program has some conflicting language which makes it more complex. I inserted my comments after receiving theirs and will send it back to them eventually so they can finalize their policy decisions.

In the meantime, if it's at all possible to review and comment by the end of the week, that would be great. If not, Monday would work as well.

Thanks!! Kimi
