Ingrid, Tom, and Dan –

I know we've talked earlier this year (maybe Feb?), but to catch you up, we are preparing for a call with NRC because the R8 RA wanted to have the call with NRC that they requested. The attached proposed agenda from NRC includes the points they want to discuss. Ex. 5 AC/DP

Ex. 5 AC/DP See email chain below and attached doc on this.

I haven't seen a final briefing doc yet, but I can get you the latest version I've seen if you are interested.

Sure, happy to. Their proposed agenda that I sent around last week has their line of reasoning on this. Sue's email from yesterday indicated that she and ORIA Ex. 5 AC/DP

I'm also attaching their proposed agenda for you to review. I think they said that Elise Striz drafted it, although she was unable to make the call yesterday. On the call, Bill Von Till expressed that it had too much detail and planned to streamline it more. I thought they were going to send it back to Douglas for review, but we haven't seen it yet.

Ex. 5 AC/DP Maybe we can come up with a few bullets on that to add to the briefing paper if there's still time before it's finalized. Lucita/Sue/Carrie -- Would it help to have a short call to discuss?

Subject: Call w/ NRC Staff

Just got off a call w/ NRC's staff and attorneys regarding the upcoming meeting. We went through their proposed agenda to see if we could streamline it and talk through some of the issues. I had the opportunity to ask Andrew Pessin

Let me know if you have any questions, but I found the conversation helpful as we brief this up and prepare for the call.
