Hi Paul – very briefly, yes. At the September 30, 2019 meeting, the Chairman asked that EPA return for consultation with the rest of the Tribal leadership. We've been outreaching since.

Thanks! – Kim V.

Kim, in brief, has the CRST requested additional consultation after the September 2019 consultation?

Hi Paul,
That's OK. We figured that was the case. If I didn't set alarms on my phone I would do the same thing!

Kim is going to save her emails to the CRST on the I: drive DB Tribal consultation folder. She urged the UIC at

I apologize – I completely missed this meeting. It was on my calendar but I overlooked it; it was at the end of the day and I didn't even see it. I can call Kim to get a quick download of the latest about discussions / consultation with CRST, including whether they've requested further tribal consultation since the September 2019 consultation.

Hi Kim,
Paul is working on responding to comments and the administrative record for Dewey-Burdock tribal consultation. It would be helpful to have a quick conversation with you to hear about your interaction with the Cheyenne River Sioux Tribe since our September 2019 meeting.

Omar is also helping with this effort so I invited him to join us.

Thanks!
