Thanks for your message, Rick. I have calls from him too that I have not returned yet, so I will try and call him this morning and remind him that you all are represented by counsel and that he should just be calling Elizabeth and/or me about this matter. Cara

Subject: Calls From Jeff Parker

I received a VM from Jeff, just asking me to call back but Heather told me the following "I've got a VoiceMail from Jeff Parker, saying he wants to discuss having heard that we're considering taking an approach that addresses only Pebble & the concerns he has with such an approach. What is our policy/practice with regard to responding to such calls/inquiries? " I told her to have him call Cara or Elizabeth.

My concern is that he seems to hear far more than he should. Thoughts, suggestions?
