Hi Rick,

Just to clarify, Nuna Resources and APC were not in the room during this government-to-government meeting with Ekwok, Clark's Point, Curyung, Koliganek, New Stuyahok, and Nondalton. This meeting was organized by BBNC, the 6 tribes, and Nunamta Aulukestai. Nuna and APC were in the room for the session that EPA did at the AK Forum on the Bristol Bay Watershed Update. So, they also received the same information that the tribal organizations did during the G2G meeting.

I will work with BBNC who had told me that they would share the speaker notes and the list of participants in the room.

Thanks! Tami
