Hi Everyone: after talking with Rebecca, I am extending this invitation to folks who were involved with our last series of UIC hearings in 2017 or who will be involved this fall when we hold one additional day of hearings.

Valois and I will brief you on our plans for services for this hearing and get your input on how best to budget for them. Tentatively, we are looking at either Saturday, October 5th or 12th as the hearing date. By the time we meet on July 16th, I hope to have identified someone (other than Valois) to take the lead on hearing logistics within our Section.

Sarah: just fyi for you.

Thanks,

Douglas
