Hi Kim,

I will check with Dennis' office and get back to you.

We just had at least our third Wayne Nastri facilitated meeting with commercial and sport fisherman and BBNC Directors and the sense of urgency was conveyed to the highest levels of the agency (Acting Administrator Bob Perciasepe and Bob Sussman).

I plan to be in Anchorage May 6 and 7 for the Keystone meeting. There may be more to talk about at that point.

I will get back to you as soon as I can.

Thank you

Rick,

I would like to set up a meeting with the RA, Dennis and other members of the EPA team on the Bristol Bay Watershed Assessment. Is there a time good this week or early next week?

We would have several tribal leaders come down to EPA Offices.

Kim
