Hi Valois and Melissa,

Tomorrow is wide open for me. Friday is fine except for noon-2 pm ET. How about 3 pm ET tomorrow?

Hi Valois,

I look forward to working with you as well!

Mary Ellen, all of the times Valois mentioned are good for me as well, except tomorrow starting at 3 pm. I look forward to talking this over.

Thanks,

Hi Valois,

Melissa, whom you've talked to on our call about organified uranium, is going to take over for me on WA 96. It would be good to get the three of us on the phone to get you and Melissa further acquainted and get her caught up on the status of Dewey-Burdock.

Melissa and Valois, what do you your schedules look like in the next several days?

Also, I checked with our DWPD contracts team. The invoices do go out mid-month when the progress reports go out. And for the status on hours, here is a summary below of hours to date. At some point, some hours were billed to Task 3 that should have gone to Task 4; the team promptly switched to using the correct task code.
There will be a bit of time to Task 0 this month for handing things over to Melissa.

	Spent	Budget	Left
Task 0	26.3	53	26.7
Task 1	0	0	0
Task 2	0	0	0
Task 3	16	0	-16
Task 4	223	520	297
Total	**265.3**	**573**	**307.7**

Thanks!
Mary Ellen
