Hi Kristin, I have attached the latest communication plan (developed for the AFE). It has the latest releasable information. I highlighted the key messages on page 1. If this doesn't work, let me know.

Subject: BBWA

Rick – Dianne is giving a presentation to the Anchorage Rotary tomorrow about all things EPA and would like one slide to provide an update on the BBWA work. What points should she mention? A few historical and current events would be good.

Thanks, Kristin

Kristin Ryan
